Dear KADAM MANISHA RAJESH,

We are happy that you decided to apply for an **ICM Congress Bursary** to attend the 33<sup>rd</sup> ICM Triennial Congress 2023. We realise the importance of the Congress as an opportunity for midwives around the world to expand their knowledge and to work together to strengthen midwifery globally, and we are delighted with the number of applications we received. This means that midwives around the world share our passion for strengthening the profession.

We have made it our goal to try to bring as many midwives as possible to Bali to attend the Congress, and we noticed that you have already registered and paid for the registration fee. Therefore, we would like to offer the following to you:

- A return air ticket to Bali, Indonesia beginning and ending in your home country.
- Reimbursement of visa cost.
- Accommodation for 5 nights in a shared room in a 3-star hotel, from 10 to 14 June inclusive.
- Per diem, \$35/Congress days (4 days).
- Travel day allowance of €75 for the days you fly (10 June and 15 June).
- Please note that we are still trying to allocate funding for your registration fee, we will inform you in the coming days if we can also cover your registration fee.

More information about the conference can be found on the official conference website: <https://midwives2023.org/>

**Please read the following note carefully:**

1. **General arrangement:** This sponsorship will only cover the ICM Congress (From 10-14th June 2023 included) and not ICM Council Meeting (7-9 June 2023). If you plan to arrive early or stay longer, you will need to personally cover the expenses outside the dates of the ICM Congress (e.g., accommodation and meals for all the extra days you stay).
2. **Bali Night:** We DO NOT cover the cost of Bali Night. If you would like to attend the Bali Night, you will have to pay for it yourself. You can register and make the payment via the registration portal.

3. **Accommodation, Meals, and Per Diem:** We will arrange accommodation for you (the details of the hotels will be sent in the coming weeks). We will cover hotel **from 10-14 June** and per diem **from 11-14 June**. **The hotel includes breakfast, and lunch will be provided at the Congress**. A travel allowance for the days you are traveling (**10 June and 15 June**) will be provided for you.

4. **Flights:** We will arrange a return ticket (your home country-Bali-your home country) for you. If you want to travel outside the dates we cover, we will arrange the departure date according to the date you want. **However**, if there is any price discrepancy between the price of that ticket and the price of the ticket that applied for 10 June, you will need to pay for the difference.

5. **Travel Insurance:** If you need travel insurance, please let us know so we can arrange that for you. If you plan to stay longer than the indicated time (**Arrival on Saturday 10<sup>th</sup> – Return on Wednesday 14<sup>th</sup> June late in the evening or Thursday 15<sup>th</sup> June**), the travel insurance costs for the additional days will be deducted from your per diem.

6. **Visa, vaccines, and other requirements:** In the following links, you can check what the requirements for Bali are (<https://apply.joinsherpa.com/travel-restrictions?affiliateId=sherpa&language=en-US>). For visa: **you must apply and arrange for the visa yourself, but we will reimburse the visa cost** (we will provide an expense claim form for this process). You can check the following link (<https://midwives2023.org/visa/>) Type the name of your country on that page and it will direct you to the visa that you need.

We hope you can find all the information-you need, however if you still have any further questions, please let us know.
