

## Report on Training program on BLS & ACLS

Jan 2023 to Dec 2023

Total training program conducted in a year: - 05

Number of participants:

Sr. no	Date	Number of participants
1	17 <sup>th</sup> May 2023	32
2	18 <sup>th</sup> May 2023	28
3	13 <sup>th</sup> June 2023	33
4	15 <sup>th</sup> June 2023	33
5	31 <sup>st</sup> August 2023	23

A training Program on **BLS & ACLS** was organized by the Inlaks & Budhrani Hospital in association Sadhu Vaswani College of Nursing Pune for hospital staff. Training program are organized with a view to update their knowledge & skill regarding BLS and ACLS

Medical officers and nursing officers were trained in BLS as well as ACLS. Paramedical staff, support staff and housekeeping staff were trained for BLS.

Schedule for BLS and ACLS training program was as follows

Time	Topic	Speaker
08.30am - 9.00am	Introduction to BLS	Dr. Jaikumar Mulchandani
09.00am-09.30 am	Basic airway management	Dr. Jaikumar Mulchandani
09.30am -10.00am	Use of AED and defibrillator	Dr. Jaikumar Mulchandani
10.00am – 10.30 am	Tea break	
10.30am – 12:00pm	BLS workstation	Dr. Jaikumar Mulchandani Mrs. Jyoti D, Mrs. Ujjwala M
12:00pm – 1.00 pm	Introduction to ACLS & algorithm	Dr. Jaikumar Mulchandani
1.00pm-01.30pm	Lunch	

1.30 pm – 3.30 pm	Workstation (BLS & ACLS)	Dr. Jaikumar Mulchandani Mrs. Jyoti D, Mrs. Ujjwala M
3.30 pm -4.00pm	Test & feedback	Mrs. Jyoti D, Mrs. Ujjwala M

A total of 149 staff participated in training program from Inlaks & Budhrani Hospital, Fabiani & Budhrani Heart institute and K K Eye Institute in year 2023 .

The theory sessions were conducted by Dr. Jaikumar Mulachandani, DNB (General medicine), IDCCM, FRCP (UK) while Mrs. Ujjwala Murkute, Assoc. Professor & Mrs. Jyoti Devare Lecturer, Sadhu Vaswani CON assisted in conduction of workstations. The program was conducted at Sadhu Vaswani College of nursing. Handouts on BLS and ACLS were made and distributed to all the participants before the starting of the session for their reference.

Refreshments including morning and evening tea was organized by Inlaks & Budhrani hospital canteen for the participants.

The training program started with introduction to BLS by Dr. Jaikumar Mulachandani, I & B hospital where he briefed about the algorithm of BLS and about indicators of good CPR. Demonstration of airway and breathing along with use of defibrillator was done with the active participation from group members. All participants were divided in group for practice of workstation after first session.

After the BLS workstations, a theory class on ACLS, its algorithm, dysrhythmias and its management was taken by Dr. Jaikumar Mulchandani. In this session, normal ECG, important life threatening dysrhythmias placement of advanced airways, Defibrillation and cardioversion were discussed with suitable examples.

After lunch break, group was divided into 4-5 different groups for practice session on ACLS. All the participant practiced insertion of various artificial airways, recognition of ECG rhythm, use of antidysrhythmic medication and CPR in groups. The groups were supervised and helped by Mrs. Ujjwala M and Mrs. Jyoti D along with Dr. Jaikumar. At the end of practice session each group was given a practice scenario and were asked to enact the scenario where they could apply what they had learned in theory and workstation sessions.

1.30 pm – 3.30 pm	Workstation (BLS & ACLS)	Dr. Jaikumar Mulchandani Mrs. Jyoti D, Mrs. Ujjwala M
3.30 pm -4.00pm	Test & feedback	Mrs. Jyoti D, Mrs. Ujjwala M

A total of 149 staff participated in training program from Inlaks & Budhrani Hospital, Fabiani & Budhrani Heart institute and K K Eye Institute in year 2023 .
