Report on Ebsco Online Database Training

Topic: - EBSCO Online Database Training

Venue: - SVCON building, First floor, Conference Hall

Time- 03.00 pm -4.30 pm

Date: - 18th July 2023

Speaker: Mr. Guarav Date –Resource person

Total number of participants: - 29 SVCON teaching faculty

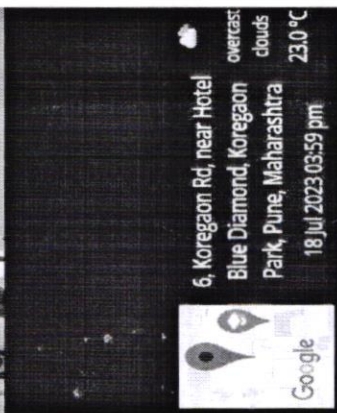

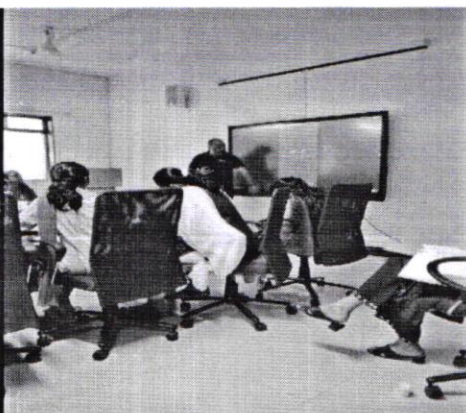

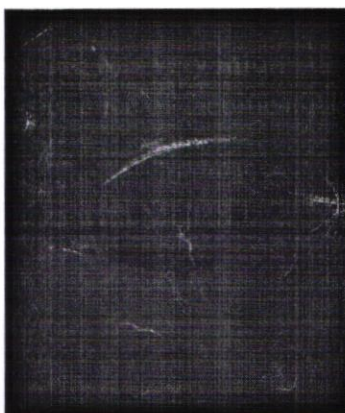

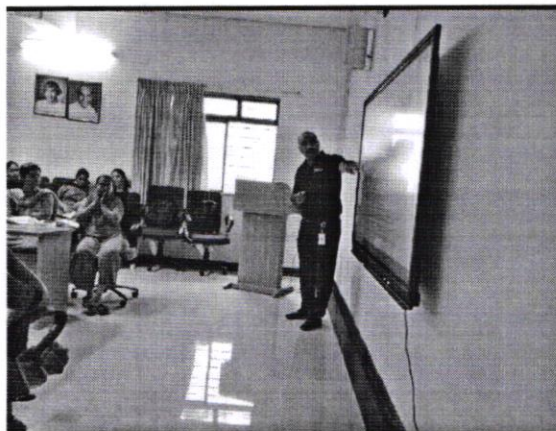

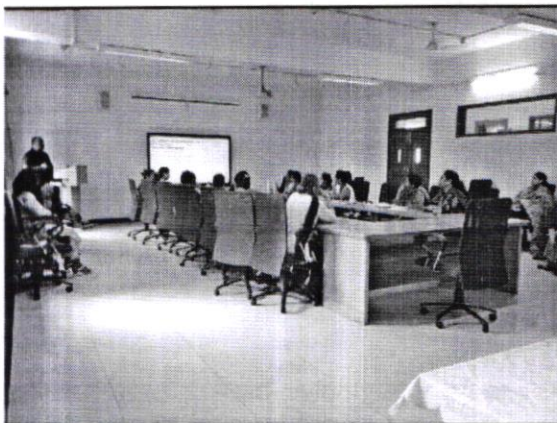

The Session started at 3.00 pm Mr. Guarav date introduced the topic. Real time demonstration was given about website and mobile app usage. He explained all the key features and functions of each menu

1. EBSCO database is IP address based but also has remote access through mobile app and unique user ID password to each user
2. This database also has separate access of 'ShodhGanga' for thesis search
3. EBSCO database has collaboration with MUHS, Nashik. Each user will get their unique log in credentials from university which can be used by user while they use remote access.
4. Highlights of the session are as follows
 - General information about the EBSCO platform
 - Scope and uses of EBSCO database platform
 - Key features of the web and mobile app platform
 - Guidelines for how to do literature search.
 - Information about Limiters (source type, subject, publication, etc) assist users in narrowing result, making the information they need easier to find
 - Use of appropriate key words while searching for specific topic
 - How to use basic search and advance search on website
 - Explained about the publication and how to search and access the publications
 - Demonstrated the navigation of various tabs and menu options
 - Key features like downloading the document, sharing PERMALINK, filtering literature search, use of folder to store the data for future reference were discussed
 - How to book mark the required article in the database
 - Users can view, save, print, email or export citations for chosen articles, in many different formats, directly from the database.
 - Ability to save searches and results
 - Discussed how to use Customization features
 - How to use citation features
 - Assistance for organizing bibliography
5. Mr. Date also explained about usage of database and how to enhance the usage of platform by institution.

It was very interactive session. Participants also downloaded mobile app and learned about its features and asked clarification concerning the same. Participant also asked their doubts about various functions and got satisfactory explanation

He was very informative and fulfilled its objective of training educators to enhance the online Database experience of faculties. All the Faculties have actively participated and have enjoyed the session thoroughly

The session was ended at 4.30 pm. Feedback was taken from faculty by resource person in order to share with MUHS later.

Wed, Jul 19, 2023 at 4:08 PM

Respected Sir / Madam,

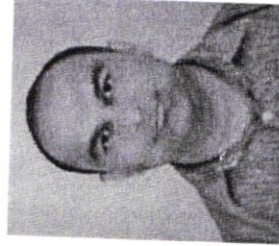

Greetings from EBSCO! Hope you are doing well.

We are glad to welcome you to the following public session since our institution subscribes to EBSCO resources. In addition, I would be delighted to arrange personalized workshops for our institution. Please respond if you are interested in arranging similar workshops for our institution which can be done in online / offline mode.

We're hosting a Zoom webinar "Mastering Citations: An In-Depth Look at EBSCOhost's / EDS Citation Management Tools (30 minutes)" training session on **27th July 2023, from 3:00 PM (IST)**. We would like you to attend the session.

Also request you to share the invite within your institution and request the students / faculty members to register and attend the session.

Training will take place on **Zoom platform**. It will be led by **Gaurav Vinayak Date** who is **Training Manager** with **EBSCO Information Services** and takes care of training activities within the region.

Goal of this training is to focus on **Citation tools** made available through **EBSCOhost platform**, which allows the users efficiently create citations for different source available through the platform. It also assists in exporting the bibliographic record in just few clicks to various Bibliographic management software.

Post registration, each participant would receive session joining link on their email id.

Thank you in advance for your commitment to EBSCO resources.

I look forward to seeing you on 27th July during the session.

Best Regards

Gaurav Vinayak Date

Dear All,

Trail mail received from EBSCO Regarding "Mastering Citations: An In-Depth Look at EBSCOhost's / EDS Citation Management Tools (30 minutes)" training session on **27th July 2023, from 3:00 PM (IST)**. As directed by Principal madam All faculty members have to register for the same.

Sadhu Vaswani College of Nursing

Report on Ebsco Online Database Training

Topic: - EBSCO Online Database Training

Venue: - SVCON building, Fifth floor, Auditorium

Time- 9.30 am - 10.30 am

Date: - 09/09/2023

Speaker: Mr. Guarav Date –Resource person

Total number of participants: - 77

Training objectives: -

1. To introduce the concept of research database and e library
2. To enumerate the various platform available under EBSCO database
3. To Explain the user guidelines required to use the EBSCO database easily
4. To explain basic and advance features available to user in the EBSCO database
5. To describe the remote access and IP address based access to research database.

The Session started at 9.30 am

At the beginning of session, Mrs. Ujjwala M, Assc. Prof briefed the students regarding basic information of EBSCO platform, its need and its application in their research and day to day course instructions. She further added the information about IP address based data base and availability of remote access and usage through smart phone application

Mr. Guarav Date then introduced the topic. He explained all the key features and functions of each menu in EBSCO website.

1. EBSCO database is IP based and collaboration with MUHS, Nashik they provide open Athens (Remote access) to each & every students & Faculty members.
2. Mr. Guarav Date started the session from basic and advanced features of the EBSCO platform. He also then explained about differences between Google Search and subscribed database search and advantages of having subscribed platforms.

Highlights of the session are as follows:

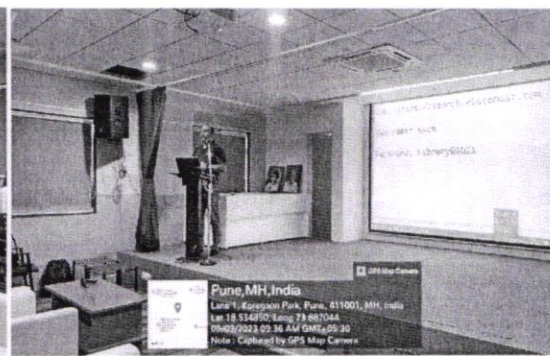

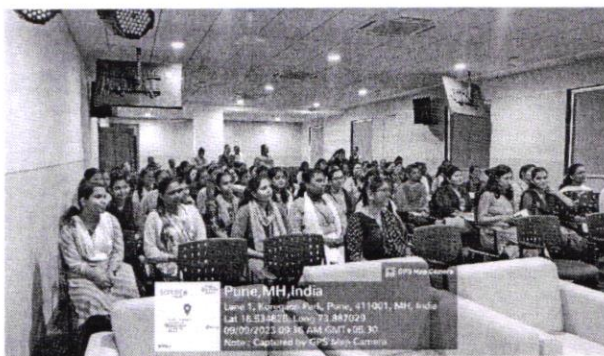

- General/ Basic information about the EBSCO platform
- How to search required article using with keywords
- How to search publication wise
- How to Bookmark required article in database

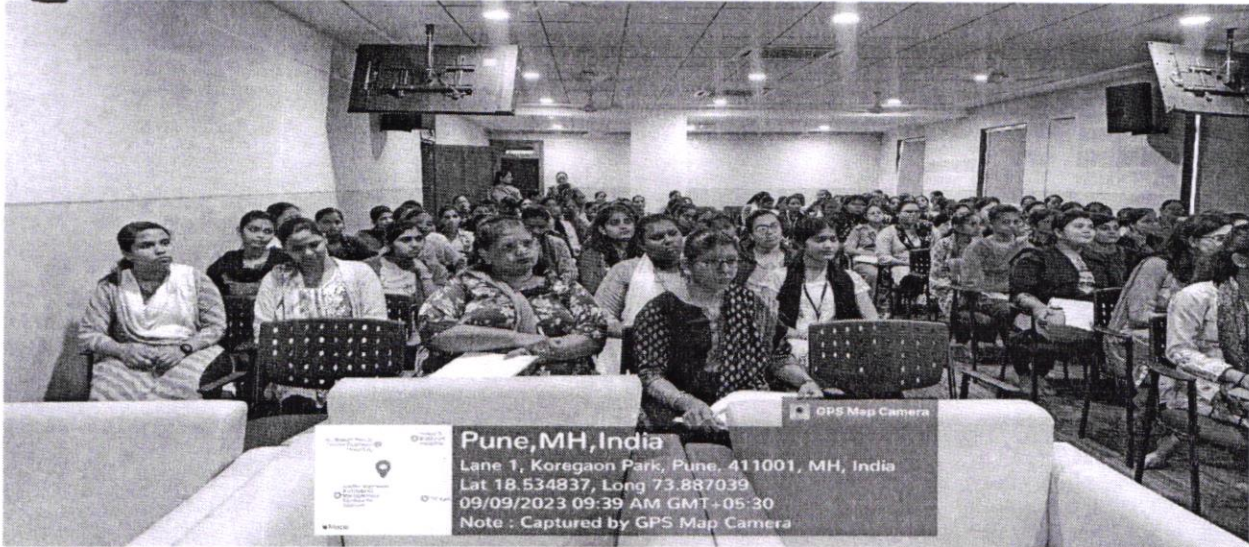

- How to use limiters (source type, subject, publication, etc) which assist users in narrowing result, making the information they need easier to find.
- Users can view, save, print, email or export citations for chosen articles, in many different formats, directly from the database.
- Ability of the platform to save searches and results
- Customization features offered
- Basic and Advanced search options
- How to spot and share Full-text links
- Provision of citation assistance
- Advance search with help of multiple key words
- Email alerts of relevant topics
- How to Translate articles
- How to listen articles
- If you search multiple article for your research then how to create bibliographic record for them.

Mr. Gaurav Date from Ebsco Database gave practical tips to students while using any research database. Real time demonstration of all the features was done. It was an interactive session.

Session was very informative and was conducted to fulfill the objective of training program to enhance the online Database experience of students. All the Students have actively participated and have enjoyed the learning

The session was ended at 10.30 am

Report on Ebsco Online Database Training

Topic: - EBSCO Online Database Training

Venue: - SVCON building, First floor, Conference Hall

Time- 03.00 pm -4.30 pm

Date: - 18th July 2023

Speaker: Mr. Guarav Date –Resource person

Total number of participants: - 29 SVCON teaching faculty

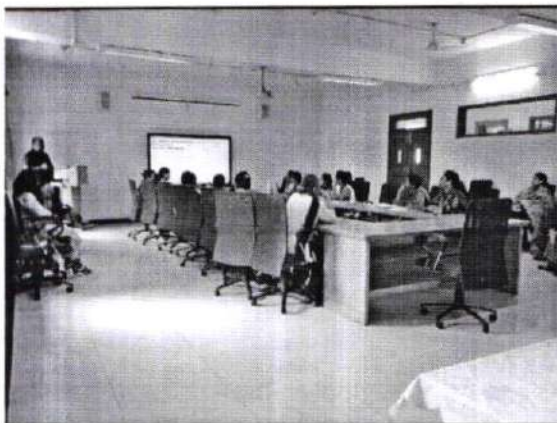

The Session started at 3.00 pm Mr. Guarav date introduced the topic. Real time demonstration was given about website and mobile app usage. He explained all the key features and functions of each menu

1. EBSCO database is IP address based but also has remote access through mobile app and unique user ID password to each user
2. This database also has separate access of 'ShodhGanga' for thesis search
3. EBSCO database has collaboration with MUHS, Nashik. Each user will get their unique log in credentials from university which can be used by user while they use remote access.
4. Highlights of the session are as follows
 - General information about the EBSCO platform
 - Scope and uses of EBSCO database platform
 - Key features of the web and mobile app platform
 - Guidelines for how to do literature search.
 - Information about Limiters (source type, subject, publication, etc) assist users in narrowing result, making the information they need easier to find
 - Use of appropriate key words while searching for specific topic
 - How to use basic search and advance search on website
 - Explained about the publication and how to search and access the publications
 - Demonstrated the navigation of various tabs and menu options
 - Key features like downloading the document, sharing PERMALINK, filtering literature search, use of folder to store the data for future reference were discussed
 - How to book mark the required article in the database
 - Users can view, save, print, email or export citations for chosen articles, in many different formats, directly from the database.
 - Ability to save searches and results
 - Discussed how to use Customization features
 - How to use citation features
 - Assistance for organizing bibliography
5. Mr. Date also explained about usage of database and how to enhance the usage of platform by institution.

It was very interactive session. Participants also downloaded mobile app and learned about its features and asked clarification concerning the same. Participant also asked their doubts about various functions and got satisfactory explanation

He was very informative and fulfilled its objective of training educators to enhance the online Database experience of faculties. All the Faculties have actively participated and have enjoyed the session thoroughly

The session was ended at 4.30 pm. Feedback was taken from faculty by resource person in order to share with MUHS later.

Respected Sir / Madam,

Greetings from EBSCO! Hope you are doing well.

We are glad to welcome you to the following public session since our institution subscribes to EBSCO resources. In addition, I would be delighted to arrange personalized workshops for our institution. Please respond if you are interested in arranging similar workshops for our institution which can be done in online / offline mode.

We're hosting a Zoom webinar "Mastering Citations: An In-Depth Look at EBSCOhost's / EDS Citation Management Tools (30 minutes)" training session on **27th July 2023, from 3:00 PM (IST)**. We would like you to attend the session.

Also request you to share the invite within your institution and request the students / faculty members to register and attend the session.

Training will take place on **Zoom platform**. It will be led by **Gaurav Vinayak Date** who is **Training Manager** with **EBSCO Information Services** and takes care of training activities within the region.

Goal of this training is to focus on **Citation tools made available through EBSCOhost platform, which allow the users efficiently create citations for different source available through the platform. It also assists in exporting the bibliographic record in just few clicks to various Bibliographic management software.**

Register Now!

Post registration, each participant would receive session joining link on their email id.

Thank you in advance for your commitment to EBSCO resources.

I look forward to seeing you on 27th July during the session.

Best Regards

Gaurav Vinayak Date

Dear All,

Trail mail received from EBSCO Regarding "Mastering Citations: An In-Depth Look at EBSCOhost's / EDS Citation Management Tools (30 minutes)" training session on **27th July 2023, from 3:00 PM (IST)**. As directed by Principal madam All faculty members have to register for the same.

Sadhu Vaswani College of Nursing

Report on Ebsco Online Database Training

Topic: - EBSCO Online Database Training

Venue: - SVCON building, Fifth floor, Auditorium

Time- 9.30 am - 10.30 am

Date: - 09/09/2023

Speaker: Mr. Guarav Date –Resource person

Total number of participants: - 77

Training objectives: -

1. To introduce the concept of research database and e library
2. To enumerate the various platform available under EBSCO database
3. To Explain the user guidelines required to use the EBSCO database easily
4. To explain basic and advance features available to user in the EBSCO database
5. To describe the remote access and IP address based access to research database.

The Session started at 9.30 am

At the beginning of session, Mrs. Ujjwala M, Assc. Prof briefed the students regarding basic information of EBSCO platform, its need and its application in their research and day to day course instructions. She further added the information about IP address based data base and availability of remote access and usage through smart phone application

Mr. Guarav Date then introduced the topic. He explained all the key features and functions of each menu in EBSCO website.

1. EBSCO database is IP based and collaboration with MUHS, Nashik they provide open Athens (Remote access) to each & every students & Faculty members.
2. Mr. Guarav Date started the session from basic and advanced features of the EBSCO platform. He also then explained about differences between Google Search and subscribed database search and advantages of having subscribed platforms.

Highlights of the session are as follows:

- General/ Basic information about the EBSCO platform
- How to search required article using with keywords
- How to search publication wise
- How to Bookmark required article in database

- How to use limiters (source type, subject, publication, etc) which assist users in narrowing result, making the information they need easier to find.
- Users can view, save, print, email or export citations for chosen articles, in many different formats, directly from the database.
- Ability of the platform to save searches and results
- Customization features offered
- Basic and Advanced search options
- How to spot and share Full-text links
- Provision of citation assistance
- Advance search with help of multiple key words
- Email alerts of relevant topics
- How to Translate articles
- How to listen articles
- If you search multiple article for your research then how to create bibliographic record for them.

Mr. Gaurav Date from Ebsco Database gave practical tips to students while using any research database. Real time demonstration of all the features was done. It was an interactive session.

Session was very informative and was conducted to fulfill the objective of training program to enhance the online Database experience of students. All the Students have actively participated and have enjoyed the learning

The session was ended at 10.30 am
