11th and 12th September 2026

Venue: INDULAKSHMI AUDITORIUM, St. MIRA'S COLLEGE FOR GIRLS, PUNE, MAHARASHTRA

About college

Sadhu Vaswani College of Nursing, Pune, a premier institution dedicated to excellence in nursing education, is proudly entering its 20th year of academic and professional service. Renowned for its commitment to quality education, clinical excellence, research, and value-based learning. The college nurtures competent and compassionate nursing professionals equipped to provide quality, patient centered healthcare at national and global levels.

CONFERENCE OBJECTIVES

- To enhance understanding of the One Health framework & its relevance to nursing practice, education, research & policy
- To examine nurses' role in addressing global health challenges such as climate change, zoonotic diseases, antimicrobial resistance & environmental risks
- To strengthen interprofessional collaboration among nurses, educators & students for effective health care delivery across diverse settings
- To promote planetary health & sustainability in nursing education, practice & community health
- To promote innovative nursing research & evidence-based practices aligned with the One Health approach
- To foster nursing leadership & advocacy for sustainable and equitable health systems
- To promote scholarly dialogue & professional networking among nursing professionals, educators, researchers & students nationwide
- To develop collaborative strategies that advance nursing's contribution to One Health & sustainable developmental goals
